1612 Wadsworth Street Radford, Virginia 24141 Telephone (540) 731-3647

Dear Parents,

From time to time, Radford City Schools would like to use student photographs to demonstrate some of the programs that are being offered in the schools and to inform people in and around the Radford area of the educational opportunities our students are being provided. We would also like to use photographs to recognize students' accomplishments in the classroom and in extra-curricular activities. These pictures could appear in the newspapers, on television, or even become a part of the Radford City School's web pages. At no time however, will any information other than the student's name be provided or used.

In order to protect the safety of your child and to ensure that you are comfortable with this, Radford City Schools would like for you to complete the permission form at the bottom of this page and return it to your child's teacher or school administrator. The form will become a part of your child's permanent record and can be easily referenced in the event that an opportunity of this nature becomes available. You can also elect to have this form removed at any time should the need arise.

Thank you for your cooperation and understanding. If you have any questions or concerns regarding this matter, please feel free to contact me at 731-3647.

Sincerely,

William C. Bishop, Ed.D.
Superintendent
