

# 2009 - 2010 BUS FEE PRE - PURCHASE PLANS

A fee based system for the purchase of transportation will be available for the upcoming school year so that we may begin eliminating the use of paper bus tickets in Radford City Schools. Tickets will still be available for purchase at all schools for \$1.70 per pack of 10 but a pre-payment option will be offered for all students based on the following fees.

Students qualifying for free tickets will be listed on the master transportation list along with all students purchasing a yearly plan. Students purchasing half year or quarterly plans will be coded and a honeywell notification will be sent as a reminder before their plan runs out.

**If payment is not received individual tickets will be required.**

**Full year** to be paid by **August 31, 2009**

**\$55.00**

Savings of \$17.00 over the regular transportation price for 180 days

**Half year** to be paid in 2 installments by **August 31, 2009 and February 2, 2010**

**We will not, however, be able to offer refunds for any plan purchased.**
